PLAINTIFF'S STATUS REPORT

Further to the Court's March 7, 2013 Case Management Plan (the "Plan"), and the October 13, 2015 Status Report, The Sherwin-Williams Company ("Sherwin-Williams") submits the following Status Report:

1. Update on discovery efforts: Fact and expert discovery has been concluded.
2. The parties engaged in mediation on July 20-21, 2015, and are continuing to discuss the possibility of settlement.
3. Pending Motions: In the order (Docket #74) granting Sherwin-Williams' motion to test the sufficiency of Wooster's responses to Sherwin-Williams' requests for admission (Docket #63), the Court held in abeyance its review of Sherwin-Williams' requested monetary sanction against Wooster.

4. Finalization of the proposed settlement is subject to contingencies outside of the control of the parties. Depending on the results of those contingencies, it is possible that the parties may ask the Court to extend the current final pretrial conference date and trial date.
